# BOBIS MULTI APPLICATOR

*it just rolls better!*

# FLATBED APPLICATOR

improves productivity, modular construction, low maintenance

## SIMPLE - FAST - EFFICIENT

# BOBIS MULTI APPLICATOR

*it just rolls better!*

## BMA 160 / 400

| | |
|---|---|
| Bed length | 4090 mm |
| Bed width | 1725 mm |
| Width of working area | 1600 mm |
| Length of working area | 3710 mm |
| Working height table bed | 810 to 1000 mm |
| Bed surface | sandwich of several panels |
| Max. thickness of sign substrate | 65 mm |
| Roller adjustment | controlled compressed air |
| Roller diameter | 145 mm |
| Width of the roller | 1600 mm |
| Illumination | LED strips |
| Side trays | both side at full length of the table |
| Power supply | 230 V / 50 Hz |
| Noise level | < 45 dB |
| Required air pressure | 6 – 8 bar |
| Weight | ca. 650 kg |
